Welcome to Riksbyggen Förtur

By joining Riksbyggen Förtur for just SEK 200 per year (SEK 100 until you turn 18), you get the chance to view homes and choose one before the general public gets to see them. Earn points over time, and the more points you have, the better your chance of getting the home that's just right for you in a housing cooperative or owner project.

When we start selling, all Förtur members who have registered an interest will be ranked according to the number of points each Förtur member has.

As a Riksbyggen Förtur member you will also be asked to take part in our customer panels. This gives you the chance to influence the design of our housing projects.

Trygghetslöftet - Riksbyggen's Purchase Commitment

As of 01 March 2019, our Purchase Commitment for Förtur members is extended. This means Förtur members have the right to free monthly fees for up to 24 months if the conditions for monthly fees under Riksbyggen's Purchase Commitment are met.

How? Register at riksbyggen.se/fortur

Here's how it works:

- You earn points for queuing every week.
- Submit an application to the projects you are interested in.
- You receive regular information and an invitation to the start of sales for the homes you have registered an interest in.
- The person with the most points gets to choose first, followed by the person with the second most points and so forth.
- Once you have chosen a home and signed a preliminary agreement, your points are reserved.
- When you sign the owner's agreement, your points are available again if you remain a member in Riksbyggen Förtur, and you can save points toward your next home.
- Förtur members enjoy our extended Purchase Commitment if member when signing the first agreement for the home, and stay member until the day of occupation.
